Work hard for polls win, Umno Wanita told

PENANG, Sun. - Umno Wanita must work harder to ensure that Umno and Barisan Nasional win handsomely in the general election, said national Umno Wanita chief Datuk Dr Siti Zaharah Sulaiman.

Speaking at a Hari Raya dinner hosted by the Tanjung Umno Wanita last night, she said Wanita members should start explaining the party's and the Government's struggle to overcome the crisis and the truth about the political situation.

She said they must also explain why people should back the Government headed by Datuk Seri Dr Mahathir Mohamad. "Dr Mahathir has shown the world that his ideas and actions to overcome the financial crisis are working well."

Tanjung Umno division chief Ahmad Ibni Hafar presented RM50 vouchers to 26 pupils who had done well in last year's Ujian Penilaian Sekolah Rendah.
