

Website for women to channel ideas to PM

SUN 2-8-2000
KUALA LUMPUR, Tues: Women now can channel their suggestions and opinions to Prime Minister Datuk Seri Dr Mahathir Mohamad through 'A Message in the Net for PM'.

The messages to the Prime Minister can be forwarded through the e-mail address mymalysiaboleh.com beginning today until Aug 20.

Launching the website today, chairman of the National Council of Women's Organisation Datuk Paduka Zaleha Ismail said the messages must be opinions or suggestions that can help women to enjoy better living.

The opinions can be made on any aspect including religious and spiritual, entrepreneurship and economics, health and culture as well as social issues, she said.

The homepage created in conjunction with the Women's Day celebration on Aug 25 is managed by Women Internet Council Malaysia which is under the non-governmental organisation, **Yayasan Azam Wanita**.

Its objective is to ensure that all women will be computer- and Internet-literate and not be left behind.
