Chief auditor best female employee

ON Semiconductor SCG Industries (M) Sdn Bhd awarded Komala Ramasamy (picture above) with the Best Female Employee award on Workers' Day recently.

The chief auditor in the quality assurance department of the company, Komala received the coveted national award from Prime Minister Datuk Seri Dr Mahathir Mohamad.

She was accompanied by ON Semiconductor chief operating officer Jim Thorburn and managing director C.M. Ng.

The mother of three, who has been in the company for 18 years, leads and trains all Quality Assurance Specialists (QAS) which involve constant upgrading of skills.
