Come to blossoming Dengkilwood

Douglas K. Lingam; Bhavani Krishna Iyer

HOLLYWOOD, Bollywood, then Hong Kong. Now E-Village in Dengkil, which will provide state-of-the-art Hollywood facilities (at a fraction of US prices), was launched by Prime Minister Datuk Seri Dr Mahathir Mohamad recently.

E-Village, Malaysia's "Universal Studios", is wooing a segment of US and foreign movie-makers to shoot their films here.

Whatever, Dengkilwood should help raise the standards of Malaysia's film industry. Viva Malaysia - Malaysia Boleh!
