MAHATHIR-SOFTWARE CENTRE

DR M OFFICIATES INAUGURATION OF MOTOROLA SOFTWARE CENTRE

CYBERJAYA, June 16 (Bernama) -- Prime Minister Datuk Seri Dr Mahathir Mohamad today officiated the inauguration of the Motorola Malaysia Software Centre, a centre for software development and Internet content creation in the Multimedia Super Corridor (MSC).

The event was held at the Cyberview Lodge here.

The Motorola Software Centre, presently located in Kuala Lumpur is expected to be relocated to Cyberjaya next year.

The centre is expected to play a major role in the MSC, especially in the Internet content and software industry.

From an initial staff force of five on March 1, 1999, the centre today has expanded its pool of top-class local software engineers close to 80.

The centre is now in the final stages of preparations for its move to Cyberjaya. -- BERNAMA
