Dr Mahathir does not live here anymore

INACCURATE SIGNAGE ... This sign along Jalan Mahameru, Kuala Lumpur, indicating that Sri Perdana in Jalan Damansara is the Prime Minister's residence is wrong as Datuk Seri Dr Mahathir Mohamad moved to Putrajaya late last year. Dr Mahathir had his first official function in Sri Perdana, Putrajaya, Nov 22 last year when Chinese Premier Zhu Rongji visited Malaysia. Memorial Tunku Abdul Rahman director Zainol Abidin Abdul Rahman said the old Sri Perdana had not been officially handed over to the National Archives by the Prime Minister's Department. A City Hall official said only when this was done could it correct the mistake or remove the sign board.
