E-Village targets international film makers

CYBERJAYA, Thurs. - Four international production houses are negotiating with Entertainment Village (Malaysia) Sdn Bhd to have their films made in the E-Village studio complex here.

Entertainment Village chief executive officer Datuk Ibrahim Abdul Ghaffar said one of the production houses was from Canada and another from Europe.

He said this before the media preview on the launch of the E-Village sound stage today.

The studio will be launched by Prime Minister Datuk Seri Dr Mahathir Mohamad tomorrow night.

Besides local production houses, the E-Village will also target international film makers as it has world class facilities.
