Fadzil fails bid to adjourn House

OPPOSITION leader Datuk Fadzil Noor (Pas-Pendang) yesterday failed in his bid to adjourn the House to debate an allegation that Datuk Seri Dr Mahathir Mohamad had prevented the Anti-Corruption Agency from investigating a senior government servant for corruption.

Speaker Tun Mohamed Zahir Ismail said the matter was not urgent as police reports had been lodged over the testimony of former ACA director-general Datuk Shafee Yahya that the Prime Minister had directed him to stop investigating the former head of the Economic Planning Unit.

Zahir said the police were expected to investigate the matter.
