Flying the flag of patriotism to celebrate National Day

KUALA LUMPUR, Wed. - As National Day approaches, patriotism seems to be catching up on city dwellers.

Many are expected to participate in the "fly-the-flag" campaign in conjunction with the month-long Merdeka celebrations starting Aug 17 at Dataran Merdeka.

The flags can be purchased from City Hall's payment counter in Jalan Raja Laut and its branch office in Taman Tun Dr Ismail apart from traders and retailers.

Prime Minister Datuk Seri Dr Mahathir Mohamad will officially hoist the Jalur Gemilang to kick-off the celebrations.
