Ghafar on Umno polls

KUALA LUMPUR, Mon. - Former deputy Prime Minister Tun Ghafar Baba believes that it would be better for the two top positions in Umno to be contested.

He said that although there was nothing wrong with Datuk Seri Dr Mahathir Mohamad and Datuk Seri Abdullah Ahmad Badawi holding the posts, contests would strengthen their positions in the party.

"There's no harm if they continue to lead the party... and a contest for posts is part of the party's activities," Ghafar told reporters today.
