Highlights of three-day expo

WIRELESS high-speed Internet access using personal digital assistants (PDA) and the multipurpose smart cards are among the highlights of the Multimedia Super Corridor (MSC) Expo 2000.

Held at the Malaysian International Exhibition and Convention Centre in Seri Kembangan, the three-day event themed `Innovative Solutions Through Global Partnerships' was launched by Prime Minister Datuk Seri Dr Mahathir Mohamad today.

Also present were Deputy Prime Minister Datuk Seri Abdullah Ahmad Badawi and IAP members.

Over 100 start-ups, public listed technology corporations and MSC-status companies took part.

Exhibitors were divided into 11 categories, namely e-Government, multipurpose card, telehealth, smart schools, global schools network, research and development, convergence technologies, incubator, advance technology, e-business and creative multimedia.

The exhibition is open from 9am to 9pm and admission is free.
