Kedah to host supreme council monthly meeting

KULIM, Wed. - The next Umno supreme council monthly meeting will be held in Alor Star on Oct 16, State Umno liaison committee chairman Datuk Seri Syed Razak Syed Zain said today.

Party president Datuk Seri Dr Mahathir Mohamad will chair the meeting to be held at the State Umno headquarters.

Syed Razak, who is also Menteri Besar, said this to reporters after launching the Kulim District Council's 25th anniversary celebrations today.

During his visit to Kedah, the Prime Minister will also officiate the ground-breaking ceremony for Alor Star Hospital's new RM500 million complex in Jalan Langgar.

Kedah will be the second State to host the Umno supreme council's monthly meeting, after Perak.

Earlier, Syed Razak said the State Government was confident the district council would be upgraded to a municipal council soon.

"We have submitted our proposal on the matter to the Housing and Local Government Ministry."

A municipality status for Kulim, he said, would augur well for the district's rapid socio-economic progress over the past few years.
