Kubang Pasu to abstain from nominating

KUALA LUMPUR: Similar to previous annual general meetings, the Kubang Pasu Umno division, of which Datuk Seri Dr Mahathir Mohamad is the head, will again abstain from nominating anyone for any party post in the May party election when it holds its annual general meeting. Its youth chief Radzi Ayob said the Youth division, scheduled to hold its AGM tomorrow night, would also abide by Dr Mahathir' advice that there should not be any nomination coming from the division as it could be misconstrued as a directive from the party president.
