MAHATHIR TO GET FEEDBACK ON PARTY'S POSITION

KUALA LUMPUR, March 6 (Bernama) -- Presiden Umno Datuk Seri Dr Mahathir Mohamad said today he would be meeting Umno leaders, including the Umno Youth and Wanita Umno chiefs, to get feedback on Umno's position in efforts to rehabilitate the party.

Dr Mahathir said he had met the divisional heads and obtained valuable feedback from them.

Speaking to reporters after chairing the Umno Supreme Council (MT) meeting at the party's headquarters here, Dr Mahathir said he would meet state Umno Youth and Wanita Umno chiefs separately.

"I will continue to meet the divisional heads and other groups to get feedback on the party's position and to hear their views," he said.

However, Dr Mahathir did not say when he would be meeting them.

Replying to a question, Dr Mahathir said his meeting with the divisional heads was not related to the campaign for the party's election in May.

"We did not discuss at all about campaigning, only the party's election.

"Actually, I did not express any view, only to listen to problems that they know of within the party for me to take note of and use in efforts to rehabilitate the party," he said.

Dr Mahathir said he had informed the MT regarding his meeting with the divisional heads.

He said Umno was in the process of compiling all accusations and allegations made against the party.
