MB leaves it to delegates

KUANTAN: Menteri Besar Datuk Adnan Yaakob said yesterday he would leave it to Umno delegates to decide whether he is suitable for a post in the Umno supreme council in the party elections. Adnan added that as far he was concerned he would adhere to the advice by the party president, Datuk Seri Dr Mahathir Mohamad, and vice-president Datuk Seri Abdullah Ahmad Badawi for the Umno elections to be held in a healthy way. "Based on this advice I leave it to the Umno delegates to decide whether I am eligible or not to be in the supreme council," he told reporters after a meeting with village heads from throughout the State.
