PM to decide on extension

KUALA LUMPUR, Mon. - Deputy Prime Minister Datuk Seri Abdullah Ahmad Badawi said today he will discuss with Prime Minister Datuk Seri Dr Mahathir Mohamad as to whether the current Parliament meeting will be extended.

He said Dr Mahathir, as the head of government, would make the decision whether or not to extend the meeting which started on Feb 15 and scheduled to end on April 13.

On the performance of the Barisan Nasional MPs during the sitting, Abdullah, said he was happy with it.

He said among the problems identified was the time constraint to debate all the Bills tabled in the House.
