PNB plans to highlight opportunities in the country

PERMODALAN Nasional Berhad is embarking on various programmes to highlight the many investment opportunities in the country.

PNB group's chief executive Hamad Kama Piah Che Othman said the programmes would include a Trust Shares Week to be held on April 20 at the Putra World Centre in Kuala Lumpur.

"The idea was suggested by Prime Minister Datuk Seri Dr Mahathir Mohamad. It will coincide with the date when PNB was established some 22 years ago."

Speaking to reporters at PNB Night in Penang last week, he said the programmes would inform the people on available investment opportunities.

PNB Night was attended by various PNB agents and customers in the State. PNB Penang has 84 of the 1,300 agents nationwide.

Among its agents here are Pos Malaysia Berhad, Malayan Banking Bhd, RHB Bank Bhd and Bumiputra-Commerce Bank Bhd.

"PNB now has seven million investors but not everyone possess the know-how and expertise in investing," Hamad said.

"The move is to provide investors with sufficient knowledge to enable them to go for long-term gains by understanding the concept of investment," he said.
