Shah Rukh wants to shoot more movies here

PENANG, Sat. - Malaysia's cultural diversity and the people's friendliness have prompted Indian movie heart-throb Shah Rukh Khan to have more films shot here.

At a Press conference yesterday, Shah Rukh said he was keen to come to Malaysia from time to time for many reasons.

"Firstly, I must say the fans and the people are warm-hearted while some scenes here are also ideal for film shooting.

"I had expressed my intentions of doing more film shootings in Malaysia to Prime Minister Datuk Seri Dr Mahathir Mohamad during my previous visit to the country."

Shah Rukh, is in Penang with leading actress Juhi Chawla, Sushmitha Sen and Namrata Shirodkar, to perform a live concert tonight in aid of the Yang di-Pertua Negeri Disaster Fund.

The fund raising committee chairman Datuk Dr Hilmi Yahaya said besides raising money for the fund, the state government was also serious in promoting Penang as a tourism attraction.
