(The Government did not ... )

THE Government did not object to a proposal by Singapore Telecommunications Ltd (SingTel) to buy a stake in Time Engineering Bhd and Time dotCom in a deal which has since been aborted, Prime Minister Datuk Seri Dr Mahathir Mohamad says.

"We are not against anybody," he said, adding that the Government has nothing to do with the decision. He was speaking to reporters at end of the second day of the 54th Umno general assembly in Kuala Lumpur yesterday.
