Things are looking up again, says Ling

KUALA LUMPUR, Sat. - MCA president Datuk Seri Dr Ling Liong Sik feels the encouraging response to the party's Chinese New Year reception is proof that the economy is back on track.

He said the response this year was much better compared to last year.

"We had about 3,000 people visiting our MCA open house last year but this year the number of people increased to more than 5,000.

"I believe that this is an indicator that the economy in the country is improving. This is the result of the close co-operation between the Government and the people."

He said this was due to Datuk Seri Dr Mahathir Mohamad's leadership.
