UMNO YOUTH HAS EVIDENCE OF POLITICAL TALK AT TARAWIH PRAYERS

KUALA LUMPUR, Jan 4 (Bernama) -- Umno Youth has gathered evidence of some people using tarawih prayers for their political activities, its religious committee chief Abdul Wahab Din said today.

Abdul Wahab said he had a tape recording of such an act which took place at a mosque in Ampang.

The matter had been reported to acting Umno Youth chief Datuk Hishammuddin Tun Hussein and the tape would be handed to him soon, he said.

He said the action of injecting political talk into tarawih prayers, as revealed by Prime Minister Datuk Seri Dr Mahathir Mohamad yesterday, not only marred the fasting month but could also split the Muslims.

He said Umno Youth would form a working committee to monitor such incidents in mosques here and in Selangor.
