Wake-up call for us

I. Satthiyan

ALTHOUGH the recent Al-Ma'unah incident was a disgrace to the nation, it was truly a wake-up call for all Malaysians, to not take all that we have for granted. We have had it easy and a lot of us have become ungrateful and greedy.

Having a leader like Datuk Seri Dr Mahathir Mohamad who has seen us through a some bad times, like the economic crisis is a boon.

Only Dr Mahathir has the courage to come down hard on these criminals. You have the support of the majority.

Please do not apologise for your actions.
