What they say

MUHAMMAD surprised by win

SURPRISED at his re-election as vice-president, Tan Sri Muhammad Muhammad Taib vowed to bring the status of the Malays to greater heights to be on par with the other races.

The former Selangor Menteri Besar admitted that it would be a heavy responsibility as there was a need to create a new breed of Malays (Melayu Baru) as pointed out in his book titled Melayu Baru.

He said what party president Datuk Seri Dr Mahathir Mohamad had said in his speech earlier yesterday at the opening of the general assembly on the need to uplift the image of the Malays through high morals and new values must be included as one of the main agenda in Umno's struggle.

On how he intended to overcome Pas' lies and slander on Umno, Muhammad said there was a need for Umno to go down to the field with programmes to clarify the situation and to prove that Umno was relevant to the Malays.
