YPEIM to extend charity drive

KUALA LUMPUR, Fri. - The month-long charity campaign by Yayasan Pembangunan Ekonomi Islam Malaysia will be extended to a year as public response to its three new schemes has been encouraging.

YPEIM director-general Abdul Malek Awang Kechil said the response was good because the schemes - e-Jariah, Tele-Jariah and Auto-Jariah, had made it easy for the public to contribute.

The campaign was launched by Prime Minister Datuk Seri Dr Mahathir Mohamad on Dec 1.

Present at the function was Malaysian Resources Corporation Bhd president Datuk Seri Abdul Rahman Maidin, who later along with other representatives of organisations, received souvenirs of appreciation from YPEIM trustee board chairman Datuk Ahmad Tajudin Abdul Rahman for their support to the campaign.

The e-Jariah can be accessed through the websites www.e-jariah.com.my, www.ypeim.net.my or through www.maybank2u.com.

Those who wish to contribute through the Tele-Jariah can call the info-line 600-86-775 or through Maybank's Kawanku phone banking service.

The Auto-Jariah scheme gives contributors a choice of either using Maybank's auto-debit facility or through Bank Islam's standing instructions.
