Opposition lodges report against Dr M

PETALING JAYA Youth leaders of the opposition front parties here yesterday lodged a police report against Datuk Seri Dr Mahathir Mohamad for what they claimed were malicious lies made against Parti Keadilan Nasional Youth chief Ezam Mohd Noor

They said in their report that a Chinese newspaper had quoted the Prime Minister as saying that the racial clashes in Kampung Medan was linked to Ezam's statement

They said Dr Mahathir had also alleged that Ezam had informed his friends overseas that he would initiate street demonstrations until the Government was toppled

The report said the allegation was baseless

PAS Selangor Urban Settlers Committee also lodged a report against Dr Mahathir for alleging that the opposition parties had instigated the violence in Kampung Medan
