

# Fadzil We want a written commitment

PETALING JAYA PAS president Datuk Fadzil Noor said all that is needed for the unity talks to take place is a commitment from Umno that it will look into all its three pre conditions

What is so difficult about that? We are not asking Umno to fulfil them immediately but give us a written commitment on the status of our requests he said

He said he had spoken on the matter with Umno presi-

dent Datuk Seri Dr Mahathir Mohamad when he met him at Parliament House on Tuesday

I told him just that However Dr Mahathir did not reply then he said

He also conveyed the same message to Dr Mahathir's deputy Datuk Seri Abdullah Ahmad Badawi

Abdullah asked me to make the talks *bagi lah jadi* (make it possible) and I told him that all we need is a commitment

from Umno he added

Fadzil said it would be difficult for him to ask the PAS leadership to go ahead with the talks when I have nothing in my hands to show them

That is why I need the commitment from Umno As for me the spiritual leader Datuk Nik Aziz Nik Mat and my deputy Abdul Hadi Awang we are concerned we want to get on with the talks he added
