# Mokhzani quits Youth post

By **Noreen A. Samad**

**PETALING JAYA, Mon:** Datuk Mokhzani Mahathir has resigned as Umno Youth treasurer, less than two months after announcing his withdrawal from the corporate world.

Sources said the prime minister's son handed his resignation letter to Umno Youth chief Datuk

Hishammuddin Hussein at the Youth and Sports Ministry at 3pm today.

It should take effect tomorrow, the sources said, adding that he had wanted to quit some time ago. No reasons were given. Mokhzani assumed the post in 1996 and was into his second term.

On April 26, he announced his withdrawal from the corporate world, disposing his entire interests in companies listed on the

KL Stock Exchange, including Pantai Holdings and Tongkah Holdings.

He said he was disappointed with allegations which had tarnished his name and his father's.

Hishammuddin could not be reached for confirmation but is expected to announce changes to the exco line-up tomorrow. All state bureau heads will, however, be appointed only after the Umno general assembly next week.
