KUALA LUMPUR: The Malay Action Front will hand over its memorandum to Prime Minister Datuk Seri Dr Mahathir Mohamad later this month.

MAF co-ordinating chairman Datuk Paduka Ibrahim Ali said the memorandum, titled *Memorandum Kepentingan Orang Melayu* (Memorandum on Malay Interest), contains suggestions to improve the lot of the community.

"We are aware of other suggestions. This (memorandum) serves to complement them," he said after receiving a copy from former deputy prime minister Tun Ghafar Baba yesterday at the residence of former Umno Youth leader Datuk Suhaimi Kamaruddin.

The MAF set up a committee to draft the memorandum after staging a much maligned gathering called *Takkan Melayu Hilang Di Dunia* (Malays Will Never Perish from the Face of the Earth) on Feb 4.

Ibrahim said the memorandum was divided into two main sections, education and economy.
