KLANG, Sun. — Health Minister Datuk Chua Jui Meng said Tun Daim Zainuddin had contributed significantly to the growth of the nation and his services would be missed greatly.

“He had resolved many economic problems. He and Prime Minister Datuk Seri Dr Mahathir Mohamad were like two pillars that have been significant in the growth of the nation.

“We have to thank him for all the services and contributions.”

Chua said everyone had to thank him and respect his decision.

In Malacca, Deputy International Trade and Industry Minister, Datuk Kerk Choo Ting, said the resignation of Daim will not have a direct impact or consequence on the Malaysian economy.

He said foreign investors normally chose Malaysia due to its political and economic stability apart from the social harmony.

“Any change in the political leadership has never seriously affected investors’ confidence and as such, I do not think this will happen (following Daim’s resignation),” he added.
