

Dr M to visit Perodua headquarters

Nst - 4 AUG 2000

KUALA LUMPUR, Fri. — Prime Minister Datuk Seri Dr Mahathir Mohamad will visit Perusahaan Otomobil Kedua Sdn Bhd's (Perodua) corporate headquarters in Sungai Choh, Rawang, tomorrow where he is scheduled to launch the company's 500,000th Kancil unit.

He is also scheduled to test-drive Perodua's latest offering, the Kelisa, which will be officially launched on Aug 24.

The 1000cc Kelisa would be the fifth vehicle in the Perodua stable, after the Kancil, Rusa, Kembara and the Kenari.

Also included in his visit is a tour of the company's manufacturing plant. Dr Mahathir is also expected to look at some of the company's concept designs for future models.

Perodua launched its first vehicle, the Kancil, on Aug 29, 1994 and rolled out its 100,000th Kancil in January 1997.
