

## Polls in **2003**, says Kit. Siang

**KUALA LUMPUR**, Tues: DAP chairman Lim Kit Siang today denied predicting that the general election will be called next year, but said it will be held in 2003.

He had, accordingly, advised the party two months ago to formulate and implement an 18-month action plan in anticipation of 2003, he said.

He was commenting on Datuk Seri Dr Mahathir Mohamad's statement on Sunday, in which he dismissed speculation that a snap election will be called next year.
