Abdullah to open seminar on PM's ideas

KUALA LUMPUR, Tues. - Deputy Prime Minister Datuk Seri Abdullah Ahmad Badawi is scheduled to open a one-day seminar on "The Thoughts of Prime Minister Datuk Seri Dr Mahathir Mohamad" at the Dewan Bahasa Dan Pustaka on Saturday. Organised by the Federation of Peninsular Malay Students (GPMS), it is to instil awareness among the youth of Dr Mahathir's ideas on bringing benefits to the country and the people.

Wangsa Maju GPMS branch chairman Datuk Jaafar Abdul Rahim said Dr Mahathir had formulated a lot of strategic and creative measures for the country.

"By studying the various instances where the Prime Minister applied his creativity in solving the country's problems, we are able to see results of his thought process in the development of Malaysia," he said.

GPMS hopes the seminar will help clear up the confusion and misconception that youths had on the Prime Minister's ideas.

"A lot of the presenters are from the younger generation, so they should have some interesting views on how the thoughts of the Prime Minister had affected them one way or another," he said.
