Adjourned sine die

THE Dewan Rakyat was adjourned sine die yesterday after sitting for 28 days. The highlights of the third session of the tenth Parliament, opened by the Yang di-Pertuan Agong on March 19, were the tabling of the Third Outline Perspective Plan (OPP3) and the Eighth Malaysia Plan by Prime Minister Datuk Seri Dr Mahathir Mohamad. A supplementary budget seeking RM5 billion was also presented to MPs, who later approved it. The House is expected to sit again in July.
