BUKA PUASA DELICACY ... Prime Minister Datuk Seri Dr Mahathir Mohamad is delighted by the sight of mouth-watering ikan bakar prepared by Siti Hamdan at her stall at Jalan Raja Alang in the Federal capital yesterday. The Prime Minister visited the stalls at about 5.30pm, during which he also bought items for the breaking of fast. Half-an-hour later, Deputy Prime Minister Datuk Seri Abdullah Ahmad Badawi also dropped by to buy goodies (See Page 12). They joined other city folk in buying kuih-muih and other delicacies, much to the surprise of shoppers who did not expect to see the VIPs in their midst.
