DAP: Make public Pas' memorandum

SEREMBAN: The DAP has asked Pas to make public its memorandum on the concept of an Islamic state it intended to set up. DAP life adviser Dr Chen Man Hin said yesterday that Pas had been harping on the issue for so long yet it had nothing about the concept in black and white. "We welcome Pas' move to submit a memorandum of an Islamic State to the Government. At the same time, it should also make public the contents." On Tuesday, Pas deputy president Datuk Seri Abdul Hadi Awang said a committee was currently drafting the memorandum and it would submit the memorandum to Prime Minister Datuk Seri Dr Mahathir Mohamad soon.
