`Help achieve PM's vision of prosperity'

BATU GAJAH, Sun. - Cuepacs today urged government agencies to focus on plans which could help realise the Prime Minister Datuk Seri Dr Mahathir Mohamad's vision of a more prosperous country.

President Datuk N. Siva Subramaniam said at the same time every department should also cut down on activities like seminars and workshops.

"Ministries and their agencies must take heed of what Dr Mahathir had proposed in his closing speech at the Umno general assembly," he said after opening a biennial meeting of the National Medical and Health Workers Union Perak branch.

Cuepacs will also help improve the level of English proficiency among public servants through courses planned with the Public Service Department.
