If I were Prime Minister ...

WHAT would you do if you were the Prime Minister? How would you see yourself managing Malaysia?

There's no doubt that in the past 20 years that he has held the position, Datuk Seri Dr Mahathir Mohamad has done a fine job indeed.

But we were wondering if you guys could come up with some brilliant ideas, a brainwave, that you might want to share with us all, and well, our beloved PM too.

And surprise, surprise, when we ran our Youthquake/Coca-Cola competition on Aug 3, we got loads of response. Incredible.

Of course, we also believe that some of you were "persuaded" by the two RM5,000 grand cash prizes we're giving away! So, okay then, this week, we're highlighting excerpts of letters we've picked out. But there have been so many that we've yet to go through the whole pile!

Keep a look out for next week's issue when we announce the winners. Good luck!
