Khalil: Proposal on scope of talks will be conveyed to Pas

PUTRAJAYA, Thurs. - Umno secretary-general Tan Sri Khalil Yaakob said today that he would inform Pas on the scope of discussions proposed by Umno during the Malay unity talks.

"I will inform them that this is our agenda, these are the matters we wish to discuss. Previously, we mentioned a wider scope, that of Malay unity. Now, the PM has defined what he meant," said Khalil who heads Umno's technical committee.

He said this to reporters after a Press conference Umno president Datuk Seri Dr Mahathir Mohamad held to outline the party's aims regarding the proposed talks.

On the date of the next Umno-Pas technical committee meeting, Khalil said: "We are in communication now".
