"PROF SASAUAN" IN RESPONSE TO "MAHA HAPRAK"

KUALA LUMPUR, Dec 7 (Bernama) -- A book entitled "Prof Sasauan" (prof glutton) authored by former Deputy Minister in the Prime Minister's Department Datuk Ibrahim Ali was launched here last night to response to the book "Maha Haparak" (a totally useless fellow) written by PAS member Datuk Shahnnon Ahmad.

"Prof Sasauan" selling at RM 7 a copy was launched by former Director-General of the Dewan Bahasa dan Pustaka, Datuk Dr Hassan Ahmad.

Earlier Ibrahim had written a book entitled "Muntah" (vomit) to counter Shahnnon's "SHIT" and also published a book "Babi" (pig) to response to Shahnnon's book "Anjing" (dog).

Speaking at the launching of "Prof Sasauan", Ibrahim said his books were aimed at telling the people that what Shahnnon had written was not true.

"I expect Prof Sasauan to get encouraging response from the public like the response to my other books," he said.
