TENOM, March 25 (Bernama) -- Prime Minister Datuk Seri Dr Mahathir Mohamad today opened the Sabah Agricultural Park in Lagud Seberang, 15km from here as he spent the second day of his working visit in the interior region.

The park, which offers recreational, educational and research facilities, was first opened to the public at the end of last year.

After the Lagud Seberang function and luncheon with local leaders, Dr Mahathir is scheduled to return by helicopter to Kota Kinabalu, 180km from here for the ground-breaking of a new federal administrative complex not far from the campus of Universiti Malaysia Sabah in Teluk Likas.
