MIMOS-ONLINE

MIMOS PROCESSES ONLINE PURCHASE ORDER

KUALA LUMPUR, Sept 7 (Bernama) -- Mimos Bhd today processed and accepted a purchase order through the MIOS Procurment Network.

It was witnessed by Prime Minister Datuk Seri Dr Mahathir Mohamad and MIMOS CEO Tengku Datuk Dr Mohd Azzman Shariffadeen at the Multimedia Exposition at Putra World Trade here.

A purchase order for direct materials and products was made online through the MIMOS Procurement Network. The network was powered by MyBiz.

This approval and acceptance was part of a workflow of request for quotations to suppliers, quotations from suppliers and finally the purchase order for direct materials and finished products.

The "live" online supply chain procurement of materials by MIMOS was secured by IVEST and showcases a global manufacturing supply chain transaction to promote the potential of the national TIGER national initiative.

The initiative allows Malaysian suppliers to be more competitive and compete on a "more level playing field" in the global market. -- BERNAMA
