PM: MSC NOT AFFECTED BY US ECONOMIC SLOWDOWN

CYBERJAYA, Sept 6 (Bernama) -- Prime Minister Datuk Seri Dr Mahathir Mohamad said Malaysia's Multimedia Super Corridor "is not very much affected by the US economic slowdown."

He said investments were still coming in, investors were still growing and demand for office space was increasing.

"In fact, MSC is way ahead of target with now 554 MSC-status companies of which 46 are world class multinationals," he told a press conference here.

He said while some of the investments by big companies were small, they had chosen MSC to be their worldwide hub. -- BERNAMA
