Resettlement package for families

UNDER the resettlement programme undertaken by the Emkay Group, 147 Orang Asli Bukit Lanjan families are allocated a bungalow unit each in Damansara Perdana and a double-storey house in Damansara Damai while selected Orang Asli children above the age of 15 would each receive an apartment unit.

In addition, a sum of RM45,000 has been invested in each of the 147 families' Amanah Saham Bumiputera unit trust account while a subsistence allowance of RM500 per month will be given to each of the families.

Prime Minister Datuk Seri Dr Mahathir Mohamad is scheduled to attend the key-handing over ceremony of the bungalows.
