Respect PM's wishes

Ahmad Rosli Ismail

PRIME Minister Datuk Seri Dr Mahathir Mohamad has shown his disapproval of the use of his name for the refurbished Pekan Rabu complex. He has said he did not want any structure to be named after him while he was alive.

It has been the practice that whatever the PM agrees with or suggests were taken as directives. Conversely if the PM dislikes something, why persist on doing it?

Why is the co-operative concerned so insensitive and insisting on naming the place after the PM?
