Take heed of Dr M's advice

R.K. Bhattacharya

UMNO president and Prime Minister Datuk Seri Dr Mahathir Mohamad's speech at the 55th Umno General Assembly on Thursday is bold and clear.

His call to attain excellence in education and Information Technology is of paramount importance for a bright, united and prosperous Malaysia in this era full of challenges.

His clarion call to place personal differences aside and unite for the good of the nation is praiseworthy.

All Malaysians should therefore, take heed of his advice and make it a reality.

I congratulate our Prime Minister for his vision and timely call and wise leadership.
