Thank you, Dr Mahathir

A. S. Selvaraju

IT was with great pleasure that I read the article by A.J. Surin (NST, July 3) on Datuk Seri Dr Mahathir Mohamad's 20th anniversary as Prime Minister.

When he took office 20 years ago, I remember my mother saying that my father (who had passed away exactly a year before Dr Mahathir took office) would have been a very happy man.

He apparently had great faith in Dr Mahathir and said that if he became the PM, the country would progress to great heights. My father was right. I think it is in order to state, "thank you, Dr Mahathir for the last 20 years".
