UPM's fund-raising efforts ongoing

SERDANG: Efforts to collect contributions for Universiti Putra Malaysia's Hospital Kuala Lumpur Sumbang Bakti Fund will be ongoing, project adviser Dr Abdul Rashid Md Ali said. "Various activities will be planned towards this end. We have thus far organised a dinner which also served to launch the fund." The fund, initiated by the university's communications department, was launched by Prime Minister Datuk Seri Dr Mahathir Mohamad on March 17 at Crown Princess Hotel.
