

New record with largest panel of signatures collected

Nst - 1 SEP 2002

KUALA LUMPUR, Sat. — The country's 45th National Day saw a private radio station entering the Malaysian Book of Records for the largest panel of signatures collected.

What was more significant was that the 50,400 signatures collected under the "988 Terima Kasih Gratefulness

Merdeka Card 2002" campaign were penned to express thanks to the leadership of Prime Minister Datuk Seri Dr Mahathir Mohamad.

The panel, measuring 180 square metres and which will be on display at the Malaysian Tourism Centre, was made following a roadshow to collect the

signatures and National Day messages by the station.

Listeners of channel 988 of the station were also able to follow the developments during the roadshow through live updates from each location.

A blood and organ donation drive was also carried out during the roadshow.
