## **'TRI's duty to make report'**

**BUKIT KAYU HITAM:** Prime Minister Datuk Seri Dr Mahathir Mohamad said it is the duty of the management and board of Technology Resources Industries Bhd (TRI) to lodge a police report relating to misuse of funds.

He said the TRI management needs to take action if they find irregularities by the previous management in their investigations.

"It is the duty of the management and board of directors to take action in relation to the misuse of funds," he said after opening the Asian Composites Manufacturing Sdn Bhd plant here.

Mahathir was asked to comment on the police report lodged by TRI alleging "fictitious" invoices for services totalling RM259.3 million issued in 1998 and 1999.
