Ex-Bachok MP Bunyamin admitted to Kota Baru Hospital

BACHOK, Fri. - Former Bachok MP Bunyamin Yaacob, who will be charged with criminal defamation for an allegation regarding Prime Minister Datuk Seri Dr Mahathir Mohamad, is recuperating at the Kota Baru Hospital after being admitted to the emergency unit yesterday.

"He had fever and was vomiting following complications from diabetes and kidney failure," said his daughter at her home in Kampung Keting this evening.

Meanwhile, sources said Bunyamin, 56, is expected to be charged either on Sunday or Monday with criminal defamation over his allegation that Dr Mahathir had watched a pornographic video with his grandchildren.

It is, however, not known whether there will be any delay in charging the former MP due to his poor condition.
